

SLIDING WARDROBE SYSTEMS & INTERIORS

A bedroom featuring a bed with a beige patterned duvet and several pillows. Behind the bed is a large sliding wardrobe with frosted glass doors and decorative floral patterns. Four small framed pictures hang on the wall to the left of the wardrobe.

Made to measure sliding door systems

Our custom made sliding wardrobes are all made to your bespoke size to the highest quality. Sliding wardrobes have numerous benefits over standard hinged doors, space saving, contemporary, easy to access with various storage solutions offered.

We manufacture your sliding doors here on-site in the UK and aim to achieve the best quality and lead time to every customer. Customer satisfaction is a prime objective.

With a wide range of frame colours, door colours and glazing options, together with a choice of interior colours, you will be able to create that perfect look you have always dreamed of, whatever the project, we will have something to match.

//The Mersey double sided profile is perfect for a room divider or a walk in wardrobe. Available with different colour glass on either side to complement your colour scheme//
